

Embroiderers' Guild of America

EGA is a national, not-for-profit organization dedicated to the study and preservation of the art of embroidery. Membership is open to anyone interested in needlework, from the beginner to the professional. Members work within local chapters or a member-at-large network to improve their skills and knowledge. Numerous opportunities are available to learn embroidery and needlework techniques, including chapter meetings, workshops, correspondence courses, certification programs, and national and regional seminars. In addition, EGA offers free projects, a youth program, a quarterly magazine, and national traveling exhibits.

The **Green Bay Area Chapter of the EGA** supports and strengthens all forms of needle arts by fostering the highest standards of excellence in the practice of the art of embroidery through an active program of education and study to preserve the

heritage of the art of embroidery. We encourage you to become a supporter of this art form in the community.

BENEFITS OF MEMBERSHIP IN THE GREEN BAY AREA EMBROIDERERS' GUILD OF AMERICA

*The mission of
The Embroiderers' Guild of America
is to inspire passion for the needle
arts through education and the
celebration of its heritage.*

<http://egausa.org>

Our purpose is to practice, share, and learn the art of embroidery. We have an active program of education and study with a goal of preserving the heritage of the art.

We strive to share our talents with the community through various programs which include teaching children the art of embroidery, participating in community outreach pro-

grams, and by showcasing the art of embroidery at our biennial show.

The guild is the place for you to form friendships with people who also love embroidery and will support you in your needlework projects. Membership is a great way for you to learn new techniques and improve the ones you already have.

Come to a meeting for free and check us out! We meet on the fourth Thursday of the month at 6:30 PM in the Ziemer Building at the United Methodist Church. There are some exceptions to this schedule. For more information, go to:

Membership Benefits

- ◆ A subscription to EGA's "Needle Arts" magazine
- ◆ Quarterly newsletters from the Green Bay Area Chapter

- ◆ Monthly meetings which highlight either a group led project or guest speakers
- ◆ Ability to participate in classes not available to the general public through the guild or EGA
- ◆ Invitations to attend yearly region and national EGA seminars. These seminars provide small classroom study of various techniques taught by well known teachers and designers.

GBAEGA Membership dues are currently \$54 annually

This amount not only covers your local membership, but also includes your membership in EGA National and the EGA Great Lakes Region.
